

Fissatubi Conduit-clips

Raccordi tipo / Fittings type

Fissatubi

Settori di Impiego / Areas of application

Caratteristiche / Characteristics:

Collari fissatubi mono pezzo realizzati in poliammide (PA6) a bassa emissione di fumi e privo di alogeni, zolfo e fosforo in conformità con le norme CEI EN 61386-2-3 e autoestinguenti secondo le norme UL94. Anti-vibrazione e resistenti alle manomissioni, sono adattabili sia per guaine a passo fine sia per guaine a passo grosso. Presentano una notevole facilità di montaggio grazie ad una sola vite centrale.

One-piece conduit-clips manufactured in polyamide (PA66) halogen, sulphur, phosphorus free and with low smokes emission in compliance with the norms CEI EN 61386-2-3 and self-extinguishing according to the norms UL94. Anti-vibration and tamper-proof, they are suitable both for fine and gross coarse profile conduits. They display an excellent usage simplicity thanks to a single central screw.

Fissatubo con chiusura integrale / Nylon Conduit-clip with integrated closing
